Section C - Coordination of Benefits

Sometimes you can have both Medicare and another insurance plan. They work together to pay claims for the same person. That process is called coordination of benefits. Insurance companies coordinate benefits to:

-Avoid duplicate payments by making sure the two plans don't pay more than the total amount of the claim.

You must submit claims within one year of date of purchase or as required by your plan.

When submitting an Explanation of Benefits (EOB) from another health plan or Medicare: If you have not already done so, submit the claim to the primary plan or Medicare. Once you receive the EOB, complete this form, submit the pharmacy receipts, and attach the EOB. The EOB must clearly indicate the cost of the prescription and amount paid by the primary plan or Medicare.

When submitting a copay receipt: If your primary plan requires you to pay a copayment or coinsurance to the pharmacy, then no EOB is needed. Just complete this form and submit the pharmacy receipts showing the amount you paid at the pharmacy. These receipts will serve as the EOB.
